NEC

UNIVERGE® DT700 / DT800
IP Desk phones

Empowering the **Smart Enterprise**

NEC's UNIVERGE IP phone range offers the features and benefits that Australian businesses demand. Stylish and functional, rugged and reliable yet still delivering high quality audio allowing you to keep in contact with customers, partners and colleagues. NEC's IP range of phones delivers an ergonomically designed and easy-to-use phone in a variety of form factors while offering exceptional value for money. You are sure to find an IP desk phone to meet your business needs.

The UNIVERGE digital desk phones offer:

> Total control over your calls from your Unified Communications client.

> High-quality audio including full duplex hands-free.

> Move locations by simply logging on.

> Access XML based application directly from you desk phone.

> Support for the visually impaired including large character display and audio key feedback.

> Headset with electronic hook switch support.*

*Not available on all models

\Orchestrating a brighter world

The right phone for every business need.
