FOR THE ULTIMATE CUSTOMER EXPERIENCE

Communication Convenience

Meet customers where they are, via the communication modes they prefer. UNIVERGE BLUE ENGAGE COMPLETE includes voice, SMS, chat, and email queues right out of the gate.

Outreach at Scale

Drive more engagement with less effort with Dynamic Notifications. From reminders to promotions, send automated outbound notifications using voice, SMS, and email and allow customers to respond.

Better Interactions with Personalisation and Insights

Personalise and streamline customer interactions with CRM integrations. Tie into workforce management or other data systems for better resource planning and insights.

Greater Visibility and Planning

Balance staff resources available against the work to be done with Schedule Manager. Then, with our Evaluator Dashboard, efficiently review, evaluate, and provide feedback on recorded customer interactions.
